Be Careful What You Pray For!

Paul Kelly

Be careful what you pray for. You just might get it.

Be careful what you pray for. You might regret it.

You get your hands on that glittering prize,

Now everybody's coming at you from every side.

Be careful what you pray for. You just might get it.

Be careful what you want now. You might be sorry.

Be careful what you want now. You might be sorry.

You finally make it to your place in the sun,

You stop and look around but your friends with no-one.

Be careful what you want now. You might be sorry!

Go ahead. Like a moth to a flame. Go ahead now.

Be careful what you dream of dreams come true.

Be careful what you dream of, they can turn on you.

Revenge is a dish they say, 'best tasted cold',

But revenge digs two graves. Makes a young person old.

Be careful what you dream of it might come true.

Go ahead. Like a moth to a flame.

Go ahead now.

Be careful what you pray for,

Be careful what you want now.

Be careful what you dream of.

Be careful what you pray for.

Black Fella / White Fella

Murray / Rurrambu

Black fella, white fella - it doesn't matter , what your colour.
As long as you're a true fella - as long as you're a real fella!

All the people of different races with different lives in different places
It doesn't matter what your name is, we've got to have lots of changes
We need more brothers if we're to make it
We need more sisters if we're to save it.

Chorus *Are you the one who's going to stand up and be counted?
Are you the one who's going to be there when we shout it?
Are you the one who's always ready with a helping hand?
Are you the one who understands this family plan?*

Black fella, white fella, yellow fella, any fella,
It doesn't matter what your colour - as long as you're a true fella.

All the people of different races, with different lives in different places.
It doesn't matter which religion,
It's all the same when the ship is sinking!
We need more brothers if we're to make it.
We need more sisters if we're to save it.

Chorus Aah ha aah... **Chorus** Stand up! Stand up and be counted!
Black fella, white fella, doesn't matter.

Blue Skies

Irving Berlin

Blue skies smiling at me
Nothin' but blue skies do I see.
Bluebirds singin' a song
Nothin' but blue birds, all day long.

Chorus *Never saw the sun shinin' so bright
Never saw things goin' so right!
Noticing the days hurrying by
When you're in love, my how they fly.*

Blue days, all of them gone
Nothin' but blue skies from now on.
Blue skies smilin' at me
Nothin' but blue skies do I see.

Chorus

Instrumental (Ba ba...) – Verse 1 – Chorus - outro

Blue days, all of them gone
Nothin' but blue skies from now on.

The Bridge

Yirmal Marika, Shane Howard, Alesa Lajama

We are standing on a bridge ,
between your world and mine
There's a river runs beneath us,
with a memory – old as time.

Chorus *It don't matter to that river
Which side we're standing on,
It will bind us to its memory
Ever rolling, rolling on.*

So much wreckage lying under
Mighty currents of change
Any moment, flooding river
It could sweep us all away.

Chorus Doo doo doo....

Spirit sings with one voice
Brothers and sisters, walking hand in hand
We are walking in two worlds
Are we walking hand in hand?

Chorus x 2 Doo doo doo....

Spirit sings, spirit sings, one voice, one voice,
Brothers and sisters, woman and man,
We are walking - hand in hand.

Bridge Over Troubled Water

Paul Simon

bing.com/images/search?view=detailV2&ccid

When you're weary, feeling small.

When tears are in your eyes, I will dry them all.

I'm on your side – when times get rough

And friends just can't be found

Like a bridge over troubled water, I will lay me down.

When you're down and out, when you're on the street

When evening falls so hard, I will comfort you.

I'll take your part when darkness comes,

And pain is all around.

Like a bridge over troubled water, I will lay me down

Like a bridge over troubled water, I will lay me down

Sail on silver girl, sail on by, your time has come to shine.

And all your dreams are on their way, see how they shine.

If you need a friend, I'm sailing right behind.

Like a bridge over troubled water, I will ease your mind x 2

Repeat 1st verse.

Come Away In

Karine Polwart

Welcome into the house
where we have bread to eat
and room at the table
Welcome into the house
where we sit down to meet
with stranger and neighbour
Welcome into the house

*Come away, come away in
Come away, come away in
the storm it is rising but we'll hold back the wind
Come away, come away in*

Welcome into the house
where there's an open door
and the fire is burning
Welcome into the house
where you can rest a while
from the world and its turning
Welcome into the house

Come away,
all you sisters and mothers (come away in)
all you fathers and brothers (come away in)
all the widows lamenting (...)
all the exiles dissenting (...)
all the lost and forgotten (...)
and the battered and broken (...)
all the motherless children (...)
we welcome you all, into the house
Come away,

Count on Me

Bruno Mars

1,2,3,4 - Oh huh-huh

If you ever find yourself stuck in the middle of the sea,
I'll sail the world to find you.

If you ever find yourself lost in the dark and you can't see,
I'll be the light to guide you.

We find out what we're made of

When we are called to help our friends in need.

Chorus

You can count on me like 1,2,3 and I'll be there!

And I know when I need it,

I can count on you like 4,3,2 and you'll be there!

'Cause that's what friends are supposed to do, oh yeah,

Oooooooh, ooohhh yeah, yeah.

If you're tossin' and you're turnin' and you just can't fall sleep
I'll sing a song beside you.

And if you every forget how much you really mean to me

Every day I will remind you.

Ooooh.... We find out what we're made of,

When we are called to help our friends in need.

Chorus

You'll always have my shoulder when you cry,

I'll never let go, never say goodbye. You know.

Chorus

You can count on me 'cause I can count on you.

Dja Dja Wurrung, Dja Dja Wurrung

Neil Murray

Dja Dja Wurrung Dja Dja Wurrung
where have you gone with your song?
Are you following the river?
Or camped out on the plain?

Dja Dja Wurrung Dja Dja Wurrung
to your land I have come
but I don't know where to turn
it's from you I long to learn

Dja Dja Wurrung Dja Dja Wurrung
I hear the call of Bunjil and Waa
I see smoke rise from afar
it must be this way to your home
I hope you welcome me

Dja Dja Wurrung Dja Dja Wurrung
you were done so much wrong
don't say that you're gone
say you still carry on

Dja Dja Wurrung Dja Dja Wurrung
I hear the call of Bunjil and Waa
I see water move under stars
it must be this way to your home
I hope you welcome me

Dja Dja Wurrung Dja Dja Wurrung
I see you standing strong
in the country you belong
gathering the love

Dja Dja Wurrung, Dja Dja Wurrung (repeat til end)

Don't Fence Me In.

Cole Porter

Wildcat Kelly looking might pale,
Was standing by the sheriff's side,
And when the sheriff said, "I'm sending you to jail,"
Wildcat raised he head and cried.

Chorus

*Oh give me land, lots of land under starry skies above.
Don't fence me in.
Let me ride through the wide-open country that I love
Don't fence me in.
Let me be by myself in the evening breeze
Listen to the murmur of the cottonwood trees,
Send me off forever, but I ask you, please,
Don't fence me in.*

Just turn me loose, let me straddle my old saddle
Underneath the western skies.
On my cayuse let me wander over yonder,
Till I see the mountains rise.
I want to ride to the ridge where the west commences,
Gaze at the moon until I lose my senses,
Can't look at hobbles and I can't stand fences,
Don't fence me in.

Wildcat Kelly back again in town,
Was sitting by his sweetheart's side.
And when his sweetheart said,
"Come on, let's settle down".
Wildcat raised his head and cried.....

Happy Together

The Turtles

Imagine me and you, I do,
I think about you day and night, it's only right,
To think about the girl you love, and hold her tight,
So happy together.

If I should **call you up** , invest a dime,
And you say you belong to me, and **ease me mind**
Imagine how the world would be, so **very fine**
So happy together.

Chorus: *I can see me lovin' nobody but you, all my life.*

When you're with me baby, the skies will be blue for all my life.

Me and you, and you and me

No matter how you toss the dice, **it had to be.**

The only one for me is you and **you for me.**

So happy together.

Chorus:

Me and you, and you and me

No matter how you toss the dice, *it had to be.*

The only one for me is you and *you for me.*

So happy together.

Chorus:

Ba-ba-ba-ba ba-ba-ba-ba ba-ba-ba ba-ba-ba-bs

Ba-ba-ba-ba ba-ba-ba-ba ba-ba-ba ba-ba-ba-ba

Ooo Me and you, and you and me

Ahhh No matter how they toss the dice, it had to be.

Ohh The only one for me is you, and you for me.

So happy together. **Oo-oo-oo-oo X 2**

How is the weather? So happy together. So happy together.

Ba-ba-ba-ba-ba ba-ba-ba-ba-ba ba-ba-ba-ba-ba

Ba-ba-ba-ba-ba ba-ba-ba-ba-BUP.

Help!

Lennon and McCartney

Help, I need somebody!

Help, not just anybody!

Help, you know I need someone! Help!

When I was younger, so much younger than today,

I never needed nobody's help in any way.

But now these days are gone, I'm not so self assured,

Now I find, I've changed my mind, I've opened up the door.

Chorus *Help me if you can I'm feeling down,
And I do appreciate you being round.
Help me get my feet back on the ground,
Won't you please, please help me?*

And now my life has changed in oh so many ways,

My independence seems to vanish in the haze.

But every now and then, I feel so insecure,

I know that I just needed you, like I've never done before.

Chorus

When I was younger, so much younger than today,

I never needed nobody's help in any way.

But now these days are gone, I'm not so self assured,

Now I find, I've changed my mind, I've opened up the door.

Chorus *Help me if you can I'm feeling down,
And I do appreciate you being round.
Help me get my feet back on the ground,
Won't you please, please help me? Help me x 2 Oooooo*

I Can See Clearly Now

I can see clearly now the rain is gone
I can see all obstacles in my way
Gone are the dark clouds that had me blind

Chorus

*It's gonna be a bright, (bright)
bright, (bright) sun shiny day rpt....*

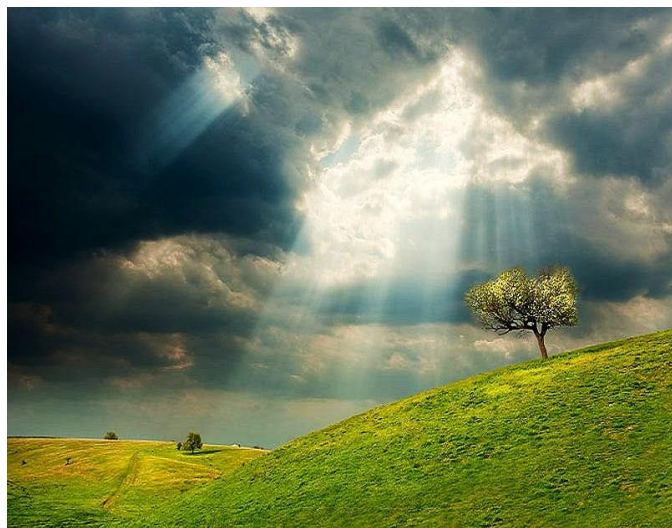

I think I can make it now the pain is gone,
All of the bad feelings have disappeared.
Here is the rainbow I've been praying for.

*It's gonna be a bright, (bright)
bright, (bright) sun shiny day*

Look all around, there's nothing but blue skies
Look straight ahead, there's nothing but blue skies

I can see clearly now the rain is gone
I can see all obstacles in my way
Gone are the dark clouds that had me blind

*It's gonna be a bright, (bright) bright,
(bright) sun shiny day rpt..*

Just Keep Goin' On

Dan J Smith

Chorus

*Just keep goin' on
Just keep goin' on
Just keep goin' on
Just keep goin' on*

*Take every knock as a boost
And every stumblin' block as a stepping stone
Lift up your head, hold your own
Just keep goin' on*

Rpt

I'll say to every young woman
Also to every young man
Sometimes you get discouraged
Don't stop and wring your hands
Your privilege can not be taken
Your rights can not be banned
If someone like me can make it
I know you can!

Chorus

You people who live in Bendigo
And you folks who don't
Sometimes the people will help you
Sometimes they won't
Everyone needs a hand sometimes
When things are flying down hill
You can be sure if they don't help you
You know I will

Chorus

Keep on the Sunny Side

1899 by Ada Blackhorn with music by J. Howard Entwisle

There's a dark and troubled side of life.
There's a bright and a sunny side too.
Though we meet with darkness and strife,
The sunny side we also may view.

Chorus *Keep on the sunny side, always on the sunny side,
Keep on the sunny side of life.
It will help us every day, it will brighten all the way,
If we keep on the sunny side of life.*

Oh, the storm and it's fury broke today,
Crushing hopes that we cherish so dear.
Clouds and storm, will, in time pass away,
The sun again will shine bright and clear.

Chorus

Let us greet, with a song of hope, each day
Though the moments be cloudy or fair.
Let us trust in each other, always,
To keep everyone in our care.

Learning to Fly

Tom Petty

Well, I started out, down a dirty road,
Started out, all alone.

And the sun went down, as I crossed the hill,
And the town lit up, the world got still.

*I'm learning to fly but I ain't got wings,
Coming down, is the hardest thing.*

Well the good ol' days , may not return,
And the rocks might melt, and the sea may burn.

*I'm learning to fly but I ain't got wings,
Coming down, is the hardest thing.*

Well some say life, will beat you down,
Break your heart, steal your crown.
So I've started out, for God known where,
I guess I'll know, when I get there.

*I'm learning to fly around the clouds
But what goes up, must come down x 2
I'm learning to fly but I ain't got wings,
Coming down, is the hardest thing. x 2*

Let it Go

words Michael Leunig, music Suzann Frisk

Let it go, let it out,
Let it all unravel,
Let it free, and it can't be,
A path on which to travel.

Liyarn Ngarn

Liyarn Ngarn Yawuru word:

'A coming together of spirits'. Archie Roach

Where the forest meets the plain,
Where the desert meets the rain,
Where the river meets the sea'
You and me, you and me.

Chorus: *Liyarn Ngarn, oh we've got to make a start,
Liyarn Ngarn, 'cause we've been too far apart,
Liyarn Ngarn, Liyarn Ngarn,
Mend all those broken hearts.*

Life is sour, life is sweet,
And our stories seldom meet.
But I believe the time has come –
To be one, to be one.

Bridge: We are all born of different skin,
But it doesn't matter if we can begin....

To celebrate life and all that means,
And we must not be afraid to live our dreams.
Come together everyone,
Where the moon meets the sun.

My Island Home

Neil Murray

I came from the salt water people,
We always lived by the sea.
Now I'm out here, west of Alice Springs,
With a wife and a family.

*My island home, my island home,
My island home is a-waiting for me x 2*

Six years have I lived in the desert,
And every night I dreamed of the sea.
They say home – is where you find it,
Will this place ever satisfy me?

*My island home, my island home,
My island home is a-waiting for me x 2*

In the evening a dry wind blows,
From the hills and across the plains.
I close my eyes and I'm standing in a boat on the sea again.
And I'm holding that long turtle spear,
And I feel I'm close now, to where I must be,
My island home is a-waiting for me.

*My island home, my island home,
My island home is a-waiting for me x 2*

Out Beyond Ideas

Words Rumi; Music Peda Chambers, Ruth McCittrick

[.bing.com/images/search?view=detailV2&ccid](https://www.bing.com/images/search?view=detailV2&ccid)

Out beyond ideas of wrong doing and right doing,
There is a field,
I'll meet you there, I'll meet you there.

Out beyond ideas of wrong doing and right doing,
There is a field,
I'll meet you there, I'll meet you there.

I'll meet you there. x 3

Possum Cloak

Michael Kennedy

The possum cloak hangs behind a glass door.
The bark canoe won't float, on that polished floor.
The oven mound is cold, fishing nets are lost or torn,
Like the faces in the pictures on the wall.

Were you taken by surprise, or was it all too clear?
Driven off, herded up, children disappeared.
The ages tumbling down in a fistful of years.
Can you believe what you saw through your tears?

Where did you run, where did you hide?

Were you pushed into the Murray,

Or driven into a tide?

The Tulla creek is lonely and the Barmah Lake cries

Oh, my Yorta Yorta. Oh..... Oh my Yorta Yorta.

Here you are, where the redgum grows.
And here I am, under the weight of all I know.
Until justice comes and the heart is yours to hold,
You and I are a long, long way from home.

Where did you run, where did you hide?

Were you pushed into the Murray,

Or driven into a tide?

The Tulla creek is lonely and

the Barmah Lake cries,

Oh, my Yorta Yorta

Oh Oh my Yorta Yorta.

The possum cloak hangs behind a glass door.

The Seeds That Grow

Eva Popov

What did this land look like before all the roads and all the gold?
Who can teach me how to see, and know this country?

Chorus: *There's no going back, but there's those that know,
The seeds we plant now, are the seeds that grow.
From Leanganook to the plains below
The seeds we plant now, are the seeds that grow, oh-oh-oh*

There's a memory in each seed,
That holds the heart of an ancient tree.
Grows to shelter all the creatures,
Connecting country.

Chorus:

Bridge x 4 Healing takes work, healing takes time.
Healing takes hands, these hands of mine,
To connect the land from what once was,
To what could be.

What did this land look like before all the roads and all the gold?
When the spirit of the dreaming held this country.

Chorus:

Smoke Under the Bridge

Paul Kelly

All day long I've been walking; mostly to myself I've been talking.
The lonesome night's too quickly falling
In the unfriendly town, it's cold when the sun goes down.

*So, I'll head for the river, and look for smoke under the bridge.
I'll keep on moving 'til I find smoke under the bridge,
A little shelter, a friendly fire, under the bridge.*

Once I had a place I could call my own.
Now wherever I lay my head is home.
Ran into some trouble, back on down the road.
They didn't like the look of me. Someone tossed a hook at me.

*I'll keep my eyes open for smoke under the bridge.
I'll keep on hoping for smoke under the bridge,
A warm fire, some company, under the bridge. Oooooooh.....*

*So, I'll head for the river, and look for smoke under the bridge.
I'll keep on moving 'til I find smoke under the bridge,
A little shelter, a friendly fire, under the bridge.
A warm fire, some company under the bridge.*

Song Sung Blue

Neil Diamond

Song sung blue
Everybody knows one
Song sung blue
Every garden grows one

LA LA LA LA.....

Me and you are subject to the blues now and then
But when you take the blues and make a song
You sing them out again
Sing them out again

Song sung blue
Weeping like a willow
Song sung blue
Sleeping on my pillow

Funny thing, but you can sing it with a cry in your voice
And before you know, it get to feeling good
You simply got no choice

Song sung blue
Weeping like a willow
Song sung blue
Sleeping on my pillow

Me and you are subject to the blues now and then
But when you take the blues and make a song
You sing them out again

Song sung blue
Weeping like a willow
Song sung blue
Sleeping on my pillow

Funny thing, but you can sing it with a cry in your voice
And before you know, it started feeling good
You simply got no choice

Song sung blue

Spirit of Place

Archie Roach

Here I stand

Here – in this great big country

Like the first man, only me.

And the whole of creation,

I'm happy, this is home for me.

I will walk

Over the hills and the valleys

To the forest and the streams, through the desert

And down by the ocean,

Following my dreams, cause I am free.

Chorus:

And I give thanks to the Creator for it all, all that's been given to me.

And I promise, to take care of it all, for others to see.

There's food and water,

And there's shelter to hide me,

From the raging storm, and this land

How it grows inside me,

Keeping me warm, and safe.

I will sit,

Sit down by the river.

Watch the fish swim by,

and mother earth,

Will protect and keep me,

Keep me from all harm, my spirit of place.

Chorus: *I give thanks to the Creator for it all,*

All that's been given to me.

And I promise, to take care of it all, for others to see.

Walk with me

Melanie Shanahan

Walk with me, hold my hand
Walk with me, hold my hand
Walk with me, hold my hand
I don't want to walk alone

Give me courage, show me love
Give me the wisdom to rise above
Grant me serenity, help me know that you're with
me
I don't want to walk alone

No, I don't want to walk alone
Show me an open palm
Maybe when I see your hand, I'll open my arms
Sometimes life has a bitter sting
So I ask you to

Walk with me...

We Won't Cry

Archie Roach and Paul Kelly

If your burden's too heavy, that it's gonna break you
And you might go crashing to the ground.
Keep yourself steady and don't let it take you,
Take you on down, take you on down.

Well, I'm here beside you, and don't you forget it!
I'm with you walking down the road.
Give up what's inside you; you won't regret it.
Together, we can lighten this load.

Chorus: *Oh, we won't cry, we won't cry,
Oh we will lift our spirits high, up to the sky.*

You did the same for me when I was in trouble.
I wanted to disappear out of sight.
You wouldn't let me, you were so stubborn,
You brought me out of that dark night.

Chorus:

Up to the sky, up to the sky x 2)
We won't cry, we won't cry x 2) repeat x 3

Chorus:

Welcome To All People

Ruby Hunter

Welcome where grass is green,
As green as it can be.
Where rainforest greenery
Is beautiful to see.

*Welcome to all people
From your beautiful lands.
To this land of ochre,
And the coloured sands,*

Welcome where desert lands
Are also people's homes.
Where kangaroo and emu,
And other natives roam.

Welcome where rivers run –
Run to meet the sea,
Reaches other island homes,
In a coral sea.

Repeat first verse

What a Wonderful World

George David Weiss & Bob Thiele

I see trees of green, red roses too,
I see them bloom for me and you,
And I think to myself – what a wonderful world.
I see skies of blue and clouds of white,
The bright blessed day, the dark sacred night,
And I think to myself, what a wonderful world!

bing.com/images/search?view=detailV2&ccid=3mt%2bmQ07&id

The colours of the rainbow, so pretty in the sky,
Are also on the faces of people going by.
I see friends shaking hands, saying 'How do you do?'
They're really saying 'I love you'.

I hear babies cry, I watch them grow,
They'll learn much more, than I'll ever know,
And I think to myself, what a wonderful world,
Yes, I think to myself, what a wonderful world!

Whatever it Takes

James Hunter

Nail your colours to the mast and have a little faith in me.
I don't give up so fast if there's one thing you can say for me.
We're one step away, from a better day, however long the night,
And whatever it takes, I'm gonna make everything alright.

Leave the struggle in the past and have a little faith in me.
All those troubles gonna last, you're gonna be safe with me.
We're one step ahead of the tears we shed. Happiness inside,
And whatever it takes, I'm gonna make everything alright.

Chorus: *From the beginning,
Spent a whole lot of swimming up against the tide.
But nothing can't be done, or overcome,
If we're standing side by side.*

Everybody knows, we took a few blows, through the life we led,
But with you in my corner, I know that I'm gonna come out ahead,
One fat lip from the championship. So don't give up the fight.
And whatever it takes, I'm gonna make everything alright.

Horns

Chorus: *From the beginning.....*

Last verse.

With a Little Help From My Friends

Lennon & McCartney

What would you think if I sang out of tune?
Would you stand up and walk out on me?
Lend me your ears and I'll sing you a song,
And I'll try not to sing out of key.

Chorus: Oh! I get by with a little help from my friends,
Mmmm, I get high with a little help from my friends,
Oh, I'm gonna try with a little help from my friends.

What do I do when my love is away?
Does it worry you to be alone?
How do I feel by the end of the day?
Are you sad because you're on your own?

Chorus: Oh! I get by

Bridge: *Do you need anybody?* I need somebody to love.
Can it be anybody? I want somebody to love.

Would you believe in a love at first sight?
Yes, I'm certain that it happens all the time.
What would you see when you turn out the light?
I can't tell you, but I know it's mine.

Chorus: Oh! I get by

Bridge: *Do you need anybody?*

Chorus: Oh! I get by

Yes, I get by with a little help from my friends,
With a little help from my frie.....nds.

Worried Man Blues

Woody Guthrie

It takes a worried man to sing a worried song x 2
I'm worried now, but I won't be worried long!

Went across the river, I lay down to sleep x 2
When I woke up, had shackles on my feet!

Twenty-one links, of chain around my leg x 2
And on each link, an initial of my name!

Asked that judge, what's gonna be my fine? X 2
Twenty-one years on the Rocky Mountain Line!

Twenty-one years, to pay my awful crime! X 2
Twenty-one years! And I still got ninety-nine!

Train pulled out, twenty-one coaches long, x 2
And the woman I love, is on that train and gone!

I looked down the track, as far as I could see, x 2
An itty-bitty hand, was waving after me.

If anyone should ask you, 'Who composed this song?' x 2
Just say 'it was I and I'll sing it all day long'.

Yil Lul Lay

Joe Geia

Yil Lul Lay x 4

I sing for the black, and the people of this land.
I sing for the red, and the blood that has been shed.
I sing for the gold, for a new year, for young and old.

I sing unto Him – of the most high,
And I sing so much praise, it makes me want to cry.
Now I'm singing just for you, so all can recognise

You've Got a Friend

When your down and troubled, and you need some loving care.
And nothing, nothing is going right.
Close your eyes and think of me, and soon I will be there,
To brighten up even your darkest night.

Chorus: *You just call out my name
And you know wherever I am,
I'll come running to see you again.
Winter, spring, summer or fall,
All you have to do is call
And I'll be there – yeah yeah yeah yeah
You've got a friend.*

If the sky above you, grows dark and full of clouds,
And that old – north wind begins to blow.
Keep your head together, and call my name out loud.
Soon you'll hear me knocking at your door.

Chorus:

Bridge Now ain't it good to know that you've got a friend?
When people can be so cold,
They'll hurt you, yes and desert you,
And take your soul if you let them –
Oh, but don't you let them

Chorus:

You've got a friend, ain't it good to know? x 2 You've got a friend.

You've Got a Friend in Me

Carole King & Randy Newman

You've got a friend in me,
You've got a friend in me,
When the road looks rough ahead,
And you're miles and miles,
From your nice warm bed,
Just remember what your old pal said,
Boy, you've got a friend in me,
Yeah, you've got a friend in me.

You've got a friend in me,
You've got a friend in me,
If you've got troubles, I've got 'em too.
There isn't anything I wouldn't do for you.
We stick together and can see it through,
'Cause, you've got a friend in me,
You've got a friend in me.

*Some other folks might be
A little bit smarter than I am.
Bigger and stronger too
Maybe?*

*But none of them will every love you,
They way I do. it's me and you boy!*

Boy, and as the years go by,
Our friendship will never die.
You're gonna see, it's our destiny.
You've got a friend in me,
You've got a friend in me.
